

## European Path4Med Project

(<https://www.path4med.eu/open-call>)

**Applicant:** Danceni Local Public Authority (Republic of Moldova)

**Selected Path4Med solution:** Integrated indicators for water management and water quality/quantity monitoring (Path4Med solution to be transferred, tested, and scaled in Danceni Lake).

**Project Duration:** 9 months (July 2026 – March 2027)

**Total Budget:** 100,000 EUR

**Danceni proposal Title:** "Recovery of Lake Danceni: feasibility, monitoring, demonstration and extension of an integrated Path4Med indicator solution"

### Danceni Team's Capacity:

**Victoria Butuc-Guranda** – Mayor of Danceni (2019–2023; re-elected and serving since 2023 – present). Bachelor's degree in Law, Free International University of Moldova (ULIM).

Public profile: [https://www.youtube.com/watch?v=Qacy5q\\_1f1c](https://www.youtube.com/watch?v=Qacy5q_1f1c)

Within the project, Ms. Butuc-Guranda acts as **Project Manager**, providing overall leadership, institutional coordination, legal oversight, and ensuring alignment with local development strategies and public administration requirements. She represents the Municipality of Danceni as the contracting authority and ensures compliance with national and European funding rules.

**Mariana Ursu** – Bachelor's degree in Economics, Moldova State University. Director of the "Andrei Vartic" Public Library, Danceni. In the project, Ms. Ursu serves as **Contact Person and Dissemination Officer**, responsible for stakeholder engagement, public outreach, communication activities, organization of dissemination events, and liaison with the local community, civil society, and educational institutions.

**Vasile Tugulschi** – Director of the Municipal Enterprise "Danceni Service".

(Company profile: <https://infodebit.md/1009600014063/intreprinderea-municipala-danceni-service#>). Within the project, Mr. Tugulschi is responsible for on-site implementation and field operations, including coordination of technical works, supervision of infrastructure-related activities, logistics, and operational support during pilot actions and demonstrations.

**Alexandru Suba** – D.Sc., PhD in Mathematics; native of Danceni and Honorary Citizen of the locality. Dr. Suba served as Work Package 2 Leader in the FP7-PEOPLE-2012-IRSES project: Title: *Dynamical Systems and Their Applications*; Acronym: *DynSysAppl*; Grant Agreement No.: 316338; Duration: 01.10.2012 – 30.09.2016; Total Budget: EUR 500,000; Moldova Budget Share: EUR 85,100

The project involved 18 universities, approximately 60 researchers, and 244 months of secondments. Within the present project, Dr. Suba is responsible for **institutional coordination between the Danceni City Hall and the State University of Moldova (USM)**, including the preparation and conclusion of contractual arrangements for the implementation of scientific investigations and analytical studies conducted by USM research teams.

**Lilia Mihaili** - Bachelor's degree in Economics, Moldova State University. Bookkeeper the Danceni City Hall. Within the project, L. Mihaili is responsible for the budget.
